

Colorado Broadcasters Association Alternate Broadcast Inspection Program

Certificate of Compliance

KCDO-TV

On the date signed below, the undersigned certifies that as an inspector and with the assistance of the appropriate staff and management of this station, a careful review of all the pertinent items applicable to the Alternate Broadcast Inspection Program has been performed. This program is overseen by the Colorado Broadcasters Association under a contract with, in cooperation with and with guidance from the Federal Communications Commission Enforcement Bureau. The undersigned has determined and herein certifies that the station is in compliance with all material issues within the scope of this Alternate Broadcast Inspection Program inspection.

Documentation supporting this certificate has been supplied to the stations and copies are maintained at
